

Graphical Inequalities Mark Scheme

1		<p>[1] Plotting correct lines [1] Shade and label the correct region</p>
2		<p>[2] Plotting correct lines [1] Shade and label the correct region</p>
3		<p>[2] Plotting correct lines [1] Shade and label the correct region</p>
4		<p>[2] Plotting correct lines [1] Shade and label the correct region</p>
5	$y \leq 4, \quad y \geq x, \quad x \geq -4$	<p>[3] 1 mark for each correct answer</p>
6	$y \geq 2x - 6, \quad x > 2, \quad y < \frac{1}{4}x + 2$	<p>[3] 1 mark for each correct answer</p>
