The Barrowden & Wakerley Shop was created by a group of local volunteers. It opened for trading on August 13th 2009 as a non-profit making enterprise - owned by the community to serve the community.

Much more than a shop, the site features a specially designed garden and picnic area as a social

From the outset, support for local producers and 'Fair Trade' has been a priority. This is shown by the wide range of local foods, drinks and crafts which

Since opening, the shop has been very successful in putting the heart into Barrowden and Wakerley by providing a much needed focus for the community.
