

Loci and Construction

Please write clearly in block capitals

Forename:

Surname:

Materials

For this paper you must have:

- mathematical instruments

You **can** use a calculator.

Instructions

- Use black ink or black ball-point pen. Draw diagrams in pencil.
- Fill in the boxes at the top of this page.
- Answer all questions.
- You must answer the questions in the spaces provided. Do not write outside the box around each page or on blank pages.
- Do all rough work in this book. Cross through any work you do not want to be marked.

Information

- The marks for questions are shown in brackets.
- You may ask for graph paper, tracing paper and more answer paper. These must be tagged securely to this answer book.

Advice

- In all calculations, show clearly how you work out your answer.

1(a) Draw the locus of all points that are 4 cm from point A shown below.

[1 mark]

1(b) Draw the locus of all points that are 2 cm from the line segment AB shown below.

[2 marks]

- 2 Draw the locus of all points that are equidistant from point A and point B , shown below.

[2 marks]

- 3 Construct a line perpendicular to the line AB shown below, such that, the line crosses at the mid-point of AB .

[2 marks]

Turn over ►

4(a) Define the bisector of an angle.

[1 mark]

4(b) Bisect the angle $\angle ABC$, shown below.

[2 marks]

GCSE Maths Revision Cards

- ✓ All major GCSE maths topics covered
- ✓ Higher and foundation
- ✓ All exam boards - AQA, OCR, Edexcel, WJEC

Get them at mme.la/cards or scan the barcode

Turn over ►

5 Triangle ABC is shown below

$$AC = 7 \text{ cm}$$

$$CB = 5 \text{ cm}$$

$$AB = 8 \text{ cm}$$

Using line AB shown below, draw an accurate drawing of triangle ABC shown above.

You must show all your construction lines.

[3 marks]

Turn over for next question

Turn over ►

- 6 A scale plan for a garden is shown below.
Some of the key features are missing from the diagram.

Decking covers a region that is 3 m from AC

Decking also covers a region that is 4 m from C .

Decking will also cover all the regions closer to B than C

Mark with an R , the region **not** covered by decking.

The scale for the plan is 1 m = 1 cm

[3 marks]

7 Triangle ABC is shown below

$$\angle CAB = 45^\circ$$

$$\angle CBA = 45^\circ$$

In the space provided below, construct an accurate drawing of triangle ABC

[3 marks]

GCSE Maths Practice Exam Papers

- ✓ GCSE Maths predicted papers and mark schemes
- ✓ Paper 1, 2, 3 and mark scheme in every set
- ✓ All exam boards - AQA, OCR, Edexcel, WJEC

Get them at mme.la/papers or scan the barcode
